PASADENA CITY COLLEGE WINS 2009 TITLE

\$--SCC Athletic Directors ruled that since LA City College did not announce it was suspending its program until after the start date of the season that LA City would have to forfeit originally scheduled conference matches with PCC, ELAC, and El Camino. Those teams team records have been adjusted to reflect the forfeits by LACC, and shall be deemed those teams final 2009 W/L records. The forfeits did not affect the final place of order for the teams.
